Ref:- G.O. No. Ms. 2461, Development, dated 26th June 1945.

The Revenue Divisional Officer, Kollegal requests the retention, in the Taluk Office, Kollegal of a lower division clerk who was formerly working under the Taluk Supply Officer, Kollegal which post has since been abolished with effect from 23.7.1945. The appointment of the clerk to Taluk Supply Officer was sanctioned in G.O. No. Ms. 427, Development, dated 1.2.45 and his retention till 31.12.45 was sanctioned in B.P. St. 873/45, dated 11.6.1945.

2. In their order reference quoted above the Government have excluded Kollegal Taluk from the present scheme of procurement and informal rationing. As provision had to be made to feed the urban population who are mainly non-producers and also those that normally purchased their requirements in the rural areas, a system of voluntary levy akin to that prescribed in B.P. 895.44.CS., dated 18th April 44 has been introduced in Kollegal Taluk to collect the grain required for distribution and the agency for purchase, storage and distribution is retained on a reduced but reasonable scale. The procedure prescribed for transactions under the Rural Rationing Scheme for procurement, storage and distribution is being followed with slight modifications. The work of the wholesalers and retailers as well as that of the Special Revenue Inspectors who are appointed to assist the Tahsildar in working the scheme have to be supervised, checked, and watched. The registers prescribed in Board's proceedings Ref. 895/44.CS., dated 18.4.1944 have to be prepared in all the villages in duplicate and checked. The entire correspondence relating to this scheme is being attended to by the Clerk of the Taluk Supply Officer sanctioned in G.O. No. 427, Development, dated 1.2.1945 in the Taluk Office. After the abolition of the post of the Taluk Supply Officer,

Officer, the clerk working under him should have automatically ceased to work, but as there is sufficient work for one wholetime clerk under the present levy scheme also, the Revenue Divisional Officer, Kollegal has found it necessary to retain the clerk in the interest of work in the Taluk Office. He requests sanction to retain this clerk till the levy scheme is in force. As it is not possible to manage the work with the existing staff in the Taluk Office, I request that sanction may be accorded for the employment of one lower division clerk in the Taluk Office at Kollegal from 23.7.45 to 31.3.1946 or till the necessity for employing him ceases, whichever is earlier, for work connected with the levy scheme in Kollegal Taluk.
